The Health of Our Troops - Follow-up Training

Portland, Maine: In September, the Maine Chiefs of Police Association, the Maine Criminal Justice Academy, the Maine National Guard and the United States Attorney's Office hosted a training about the support systems available for a returning veteran upon reentering the law enforcement work force. The response from this training was very positive and as a result, the Maine Chief's Association requested this training be offered to law enforcement supervisors.

Based on this request, a follow-up training for law enforcement supervisors was held on Tuesday in Portland. A similar training program will be presented on December 7, 2007 at 8:30 a.m. at the Armed Forces Reserve Center in Bangor. Speakers at the training sessions include Chaplain Andrew Gibson of the Maine National Guard, and Dr. Seb Milardo and Dr. Phil Smith of the Portland-based human resources firm Drake, Inglasi, Milardo, Inc.
